Let's start with one boy walking down the street,
One boy clapping to the beat.
One boy is זְיָחִיְ that's for sure,
And now let's add some more.

When I see one girl with a smile on her face,
One girl jogging in a race.
One girl is אָיָרִי we all know,
"ה" אָשָׁר or הָּשִׁל "ה",
That's how it goes.

When you've got two boys eating chocolate cake,
Two boys jumping in a lake.
Two boys are מָבְּי don't you see,

- מּלָּי וֹסְ "מִי "
That's how it must be.

A girl and a boy that's pygy yesiree.

And then there are two girls playing in the sun,
Two girls having lots of fun.

אוֹם is the rule that we can never bend,
אוֹם "אוֹם" that brings us to the end!
